Qdos IR35 Services

Having handled over 1,300 status enquiries on behalf of contractors, Qdos are one of the UK's leading specialists in the IR35 legislation.

Qdos Contractor provide insurance policies of varying coverage to protect contractors in the event of an enquiry, as well as IR35 contract reviews and consultancy services.

Both of our tax insurance policies include representation from our own team of ex-Revenue inspectors with years of experience in the field. We have an unrivalled record of defending contractors against IR35 status challenges. Qdos tax specialists will defend your enquiry or dispute from day one, giving you the best possible chance of winning.

Contracts are reviewed by an experienced and dedicated team of IR35 experts with a wealth of knowledge of the legislation and are available to discuss the results if required.
